

What's in a Good Neighbor Kit?

The following list includes all of the items that **must** be provided in the GOOD NEIGHBOR KIT. This is what the government requires – not World Relief. The items do not need to be new; used items, in good condition can be included. The quantities have been designated for a **family of four**. If you will be welcoming a larger or smaller family, appropriately modify the quantity of those items marked with an asterisk (*).
